

# CATA Region 1 & Big 8 CEU Opportunity

**Monday, June 6, 2022**

5-6p CEU

6-7p Big 8 meeting

## **Clinical Allyship: Athletic Trainers as Allies for Undocumented Patients**

### **1 Free CEU for CATA/CCCATA Members**

After completing this course, taught by Carolina Quintana, PhD, ATC & Jamie DeRollo, DAT, MBA, ATC attendees will be able to:

- Differentiate between the four main categories of persons living in the United States
- Describe allyship as it relates to athletic training practice and the four basic levels of becoming an ally
- Identify ways to create a welcoming and supportive athletic training/healthcare environment for undocumented immigrant students
- Implement practices to mitigate barriers to healthcare for undocumented patients

Held at Cosumnes River College: [8401 Center Pkwy, Sacramento, CA 95823](#) CAC Building Room 140

To Register and secure a seat please register on this link (you will need you 9 digit BOC #) by 6/2/22: [CATA Region 1 CEU Clinical Allyship & Big 8 Meeting Registration - Google Forms](#)

This presentation is eligible for 1 Category A CEU for Certified Athletic Trainers. California Athletic Trainers' Association is approved by the Board of Certification, Inc.(P313) to offer continuing education to Certified Athletic Trainers. The purpose of the program is to educate participants on how to be an ally in healthcare for those who are undocumented.

**Sponsored by the California Athletic Trainers Association. Free to CATA members.**
